RE: *United States v. Lamont Burge, 20-cr-451 (PKC)*

Dear Judge Castel:

On Wednesday, November 10, 2021, I received the draft PSR, and this morning I was able to discuss the report with my client. In describing Mr. Burge's criminal history and family background, the draft PSR relies heavily on a PSR that was prepared by the Probation Department in the Eastern District of Virginia. The SDNY Probation Department advises me that I need Your Honor's authorization before I can be provided with any old PSRs. Accordingly, I am respectfully requesting that Your Honor authorize the SDNY Probation Department to release to me all prior PSRs prepared for Lamont Burge a/k/a Lamont Jones that are currently available to the SDNY Probation Department.

Thank you for your consideration.

Respectfully submitted,

Jill R. Shellow
